

MODERN MEDICAL
HEALTHCARE

Who we are:

Modern Medical is a new company coming to the world with ethics, enthusiasm, professionalism and excellent after-sales service.

Our plan is to be one of the leading medical company in Saudi Arabia under the management of professional medical salesmen with 15years experience and more than 10years experience in the Saudi market.

MODERN MEDICAL

Vision :

-The healthcare sector today requires the very best services that Modern Medical has to offer, and we are constantly striving to come up with ways we can innovate and lead.

-To be your trusted health care partner.

-Driving increased value for the business and making Modern Medical the partner of choice for supplier innovation.

Mission :

-Our Suppliers Help Us Fulfill Our Mission, The success of our business depends on our ability to collaborate with them not only provide the highest quality products and services, but are strategically aligned with our commitment to our social and environmental responsibilities.

-The Customers' orders must be serviced promptly and accurately.

-Together we will build a unique bonding that helps people be healthier by supporting better access and care in more places around the region.

Value:

- Engagement, commitment, and pride continue to be the three main attributes that describe our interaction behavior and define our pathway.

Company Anatomy

- Main office in Jeddah
- Three Unit Heads in each main area
